

Name of the Department	Department of sciences (Dept of Zoology, Botany and chemistry)
Date	26-9-2018
Name of the programme	Field trip
Name of the lecturers involved	N. Sridevi, Asst Prof of Zoology, P. Surekha, Asst prof of Chemistry
Brief report	<p>We the students and staff (Dept of Zoology and chemistry) of VGDC, Vidyanagar, visited CCMB on its open day i.e on 26-09-2018.</p> <p>Students were bowled over by the electron microscopes and advanced machinery in the labs, Students noted down the information provided on flexi-boards and posters. Various exhibits showcased during the day did give the fertile minds enough food for thought, and at the end of the day, they were left rooting for more. Students got informed about the opportunities available in the fields of pure sciences and research.</p> <p>The students got glimpses of various ongoing research projects at CCMB such as DNA fingerprinting, Nano-Technology, new developments in cancer research on Zebra fish.</p>
Outcome	The students got glimpses of various ongoing research projects and opportunities available in the fields of pure sciences at CCMB, Students got motivated towards the field of research.

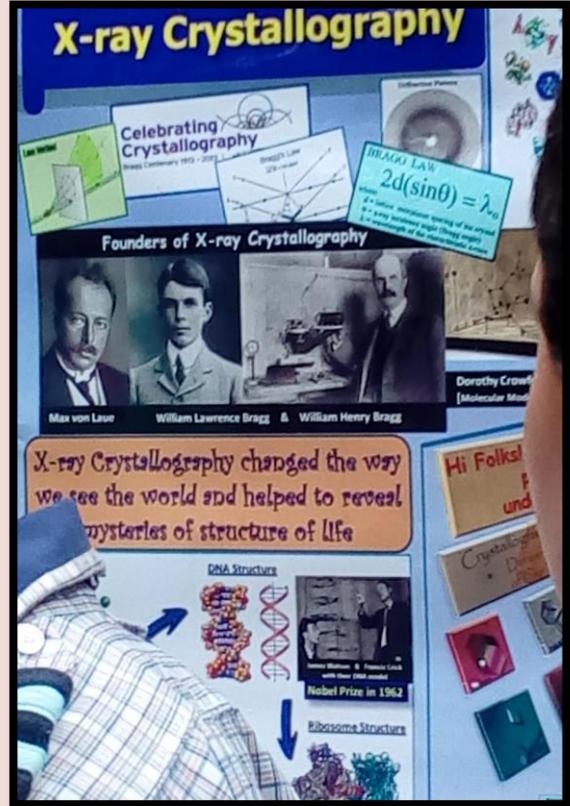

Students and staff at CCMB open day

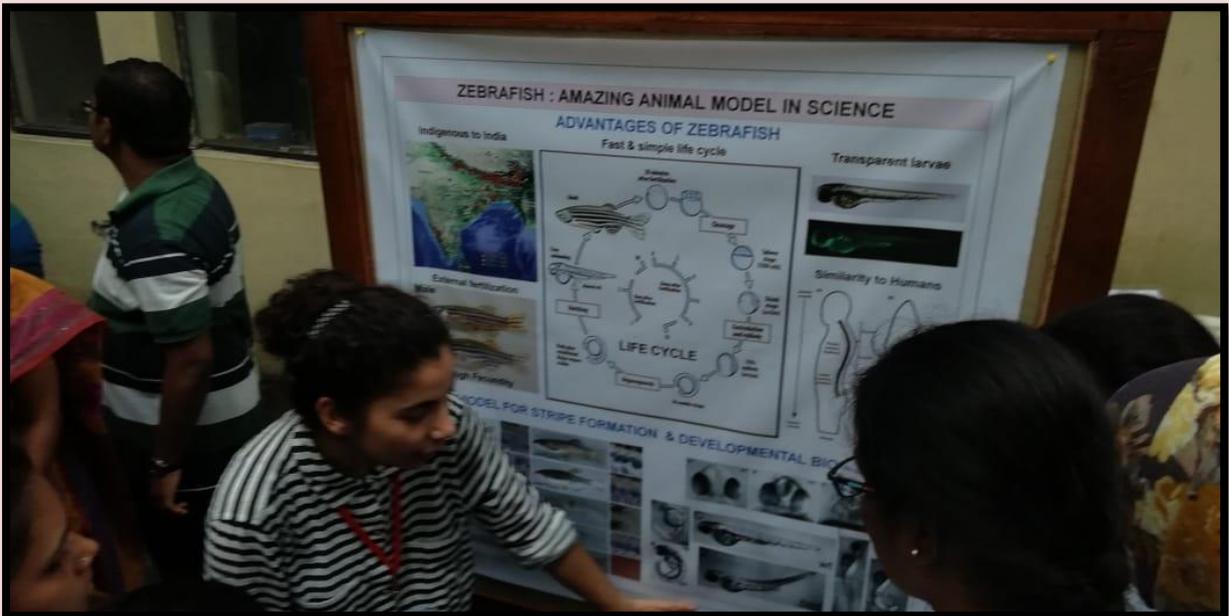

Electronic microscope and other equipment displayed at CCMB on open day

Posters of different research work ongoing, displayed on the open day of CCMB

Visit to CCMB and NGRI on 26-09-2019

Name of the Department	Botany, Zoology, Chemistry and Physics
Date	26.09.2019
Title of the programme	Visit to CCMB and NGRI on the occasion of "Open Day"
Names of the lecturers involved	Smt.N. Sridevi Smt.P. Surekha Dr.N.C. Sowjanya Ms. Vijaya Nirmala
Teaching staff participated/ Students	Science Faculty and Students of BZC, MPC and MPCs I year
Brief report	The first year students of sciences were taken on a field trip to CCMB and NGRI on the occasion of "Open day". The students witnessed the displayed state of art equipment of the research laboratories. The Research students of the institutes accompanied the students and explained them the kind of research happening at the institutes.
outcome	The students were highly motivated by the visit. They keenly observed the models, posters and equipment displayed there and got their doubts clarified with the guides. Several students expressed their idea to pursue research in the field of pure sciences.
